This experience is in addition to full cycle accounting duties where each Land Accountant is assigned the accounting for several land development projects in their entirety.

The Responsibilities

- Full cycle accounting including month end journal entries, setting up inventory and various account reconciliations.
- Preparation of monthly financial statements
- Work with management to forecast cash and prepare monthly bank borrowing requests for projects under development.
- Update land project forecasts on a monthly basis
- Support operations by improving business processes and providing financial information to development managers as required.

Our 'Must Haves'

- 2 years of full cycle accounting experience
- Enrollment in, or completion of all the prerequisites required to enter the CPA program
- Proficiency with Excel and Word as well as a background with a major accounting system.
- Detail oriented with the ability to multi-task and meet tight deadlines.
- Strong organizational, interpersonal and communication skills both written and oral.

If you inspire innovation, and are passionate about our industry and creating exceptional customer experiences, please email your resume and cover to accountingcareers@apexland.com and tell us why you are the ideal candidate for the position. We would like to thank all applicants for their interest in Apex Land, however only those who qualify for an interview will be contacted.
